

REISSUE APPLICATION DECLARATION BY THE INVENTORS

As below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name

I believe I am an original, first and joint inventor of the subject matter which is described and claimed in patent number 5,812,249, granted September 22, 1998, and for which a reissue patent is sought on the invention entitled, "SPEED AND ACCELERATION MONITORING DEVICE USING VISIBLE LASER BEAMS," the specification of which was filed on September 22, 2000, as reissue application number / , and was amended on September 22, 2000.

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by the amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid by reason of the patentees claiming more or less than they had the right to claim in the patent.

At least one error upon which reissue is based is the unnecessary limitation of "visible" which was included in claims 1, 2, 5, 7 and 9.

Every error corrected in this reissue application, including all errors corrected in the amendment referred to above, arose without any deceptive intention on the part of the applicants.

We hereby appoint, both jointly and severally, as our attorneys with full power of substitution and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith the following attorneys, their registration numbers being listed after their names:
